

Princess Kimberly Samm

Hey guys and gals!

First off. I just thought I might answer the most frequently asked question of "What do you like to be called?" Well, some people call me Kim, and others call me Kimmy, it doesn't really matter. But as most of you know, I am the next reigning princess.

I am certainly eager to meet lots of new people and work hard to represent the Eastern Yacht Club. I would like to congratulate the former princess Laci on her achievements in the navy.

I know some people know me pretty well, but let me be the first to tell you some interesting facts about myself. You'll usually catch me smiling or laughing or trying to make friends with anyone. I maintain a 4.0 GPA at Eastern Tech High School. I am currently 15 years old and will be 16 in January. I have a 5 year old sister who is more astounded that I'm a princess than anyone I know. I believe life needs to be lived to the fullest with smiles, laughs, and compassion. I am very much intrigued into spending time with the Commodore Pete and my already best friend, Julie.

I would like to thank everyone who has already made me feel well at home in their presence. I would also like to appreciate my dad, Jim; my mom, Beth; for their support, but also, thank you all for your kindness and I hope to make you all outstandingly proud.

Love,

Princess Kim
